# About the March 19 Meeting

PMA offers a must-attend program featuring the inspiring and energetic Dan Thurmon. During his initial presentation to PMA four years ago, Thurmon simply wowed nearly 300 PMA members who had the good fortune to attend his signature program entitled, "Off Balance, On Target." Afterward, PMA Program Committee Chair Terry Landers (B.F. Saul Property Company) commented, "Dan Thurmon is one of the best speakers I have ever heard. Every PMA member should be required to attend one of Dan's presentations if they have the opportunity to do so." PMA members will have that opportunity on Thursday, March 19, at a special meeting at the Bethesda Marriott (4:00pm-7:00pm). Dan Thurmon returns to PMA with a new program entitled, "*Success in Action*," to inspire members and propel them to achieve greater results in the midst of change. This program is for anyone who feels that the demands on their time and performance make it difficult to focus on accomplishing goals. Dan helps you to regain control of your accelerated life. He inspires, teaches and illustrates how to personally manage multiple responsibilities. It is a program for everyone who has too much to do and not enough time to get the job done. Dan's programs are more than simply inspirations. Comments received after Dan's last presentation at PMA included, "Extraordinary," "The Best," "Incredible," "Electrifying." Dan Thurmon describes how you can:

- Sharpen your focus by getting specific about what it is you want to achieve.
- Turn focus into action, even in the midst of your busy and demanding schedule.
- Develop the mind set to handle multiple objectives simultaneously.
- Inspire others and improve your coaching techniques.

Dan Thurmon teaches that you can do more even with less despite the odds. During this program you will learn how to accomplish more of your important tasks in less time with precision, confidence and satisfaction. Mark your calendars now: Thursday, March 19. It is one of the best meetings you will attend in 2009. If not, we'll refund the cost of attendance in full. He's that good. The message is that powerful.
